

# VOTE YES ON MEASURE Q

## Quality Schools Without Increasing Taxes

### **Vote Yes on Q to retain excellent teachers and protect quality education for all San Ramon Valley students — without increasing taxes!**

The San Ramon Valley Unified School District is one of the highest performing school districts in California and the nation. By maintaining high quality public schools in our neighborhoods, we protect our local property values and strengthen our community.

#### **That's why we need Measure Q.**

Measure Q will NOT raise tax rates above what homeowners are currently paying. It will simply continue the current tax rate to maintain vital local funding that our public schools have relied on for more than two decades.

If Measure Q does not pass, our schools will lose nearly \$7 million every year in locally controlled funding. This could lead to painful teacher layoffs, class size increases, and deep cuts to vital academic programs.
